## Student membership

Find out more about student membership

Student membership is available to students studying for an undergraduate level or post-graduate qualification and apprentices undertaking apprenticeship schemes in an engineering or technology related sector. We can help boost your prospects with tips, tools and techniques you'll use for life. Join the IET as a student or apprentice member and become part of an organisation that is recognised globally as a hallmark of quality and professionalism.

**Apply for membership**

If you're working towards a career in engineering and technology and you're at university, this is the type for you.

£20 per year, £50 duration of the course

**Renew, transfer or upgrade your membership**

Ensure continuity of your level of benefits, support and services.

- Renewing your membership
- Transfer or upgrade

10. Click on **Join** under the **Student** tab

The screenshot shows a 'Need help to choose?' section with a 'Help me choose' button. Below are six membership categories: Student, Apprentice, Associate, TMIET, MIET, and FIET. Each category has a description, a 'Learn more' link, a price, and a button. The 'Student' category is circled in red, and its 'Join' button is also circled in red.

Need help to choose?

If you are not sure which category is right for you please use the Membership Wizard to help you decide, or [contact us](#).
