

Minutes of Meeting

A meeting of DUGC was held on February 08, 2023 at 2:30 pm in TEQIP office. The following attended the meeting:

01. Prof. Adnan Qayoum	Chairman DUGC
02. Prof. M. F Wani	Member DUGC
03. Dr. Sheikh Shahid Saleem	Convener DUGC
04. Dr. Muhammad Mursaleen	Member DUGC
05. Dr. Muhammad Mohsin Khan	Member DUGC (present online)
06. Dr. Mushtaq Ahmad Rather	Inter-departmental member (present online)

The meeting was convened to discuss the course allotment for the B. Tech 8th semester (Batch 2019). The following issues were discussed and resolved:

- i) The existing scheme of BTech 2019 had been designed so that all the important courses including core courses have to be taken by the students upto & including at the 8th semester level. The scheme also contains relevant Elective courses customized for our students for attaining exhaustive practical and conceptual knowledge, managerial, marketing and entrepreneur skills essential for students aspiring for higher studies, or for seeking jobs in industrial and marketing sectors. The scheme cannot be modified at this level and as such dropping the courses at 8th semester level will put our students to a big loss. The scheme could be modified beginning at 3rd semester level and all the courses can be accommodated in the Core group and Elective group as per the Institution policy.
- ii) In the academic interest of the students it was decided unanimously to follow the already approved B. Tech 2019 scheme. The students have to take all the courses of the present scheme in vogue.
- iii) The course teacher allotment for the various courses for the upcoming B. Tech. 8th semester for the spring 2023 is as:

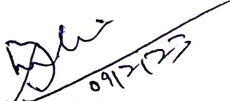

Core	Operation Research	Dr. Saad Parvez
Elective V	Power Plant Engineering	Prof. M. M. Wani
	Entrepreneurship Development and Risk Management	Dr. Dinesh Rajendran
Elective VI	Theory of Elasticity	Dr. M. Mohsin Khan
	Advanced welding & Allied Processes	Dr. Noor Zaman Khan
Elective VII	Online Course	-
	Mechanics of Composite Materials	Dr. Azhar Jameel

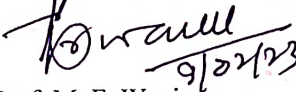

- iv) Students doing internship in the spring 2023 have to appear for the midterm & end term at the end of the semester, as per the date sheet issued by the Institute.
