National Institute of Technology Srinagar  
Hazratbal Srinagar Kashmir 190006(J&k)

Notice: Regarding Mess Fee

This is in response to the queries raised by various students regarding the mess fee/bill. Due to the increase in the price of all dietary items this year mess fee is Rs:20000/- for the spring 2021 session. **All students are advised to deposit the balance mess fee as per the notice available on the institute website.** We would like to clarify that the details of mess bills will be provided to each student after they arrive at the institute. Further, we would like to clarify that we have calculated the mess bill for March 2020 based on the number of days in which students were present in the mess attendance plus service charges as applicable.
