**Notice
29-01-2021**

As the Institute administration has decided to call students for offline classes, the passout students of Batch 2016 are once again asked to collect their belonging from the hostel rooms latest by **10th of February, 2021** failing which these rooms will be unlocked and belongings shall be kept in store room. Furthermore, the Ph. D scholars who are residing in hostel rooms already allotted to the students of batch 2017 are once again asked to arrange accommodation outside the campus as the accommodation for scholars is not available within the campus. The hostel administration has already circulated various notices in this regard since Nov-2020. However, in view of the request by these scholars to extend the stay till first week of February, 2021, the hostel authorities extended their stay as classes were being engaged online. Now that the students are physically arriving, scholars are once again asked to arrange accommodation outside the Institute before arrival of B. Tech students. I appreciate the efforts of those scholars who already have arranged their accommodation outside the campus.
