

## National Institute of Technology (NIT) Srinagar

### PRESS RELEASE

#### **NIT Srinagar features among top 20 technical institutes in 'India Today' rankings**

Srinagar, 08 Aug: The National Institute of Technology (NIT) Srinagar has been featured among the top technical education institutions across the country in 'India Today rankings' released

The rankings were released in the latest edition of India Today released on 1st August, 2023. NIT Srinagar has secured 19th place among the top 29 technical institutions across the country.

The ranking are based on several parameters including, Reputation and Governance, Academic Research Excellence, Infrastructure and Living Experience, Personality and Leadership Development, Career Progression, and Placement, Objective Score, and Perception Score.

Director NIT Srinagar, Prof. (Dr.) Prof. Sudhakar Yedla congratulated the Institute's faculty, students, and non-teaching staff for making the institute's administration proud by achieving a good rank in India Today rankings.

"It is a proud moment for us that NIT Srinagar has been featured in the Top 20 Technical Education Institutes of the country in recently declared India Today rankings," he said.

Prof. Yedla said this achievement is a result of the collective effort put into maintaining high standards of education, fostering research and innovation, and creating an inclusive and conducive learning environment.

"Over the past several decades, NIT Srinagar has emerged as a beacon of progress, playing a pivotal role in shaping skilled professionals who contribute significantly to various industries and sectors," he said.

Prof. Yedla said NIT Srinagar's impact extends beyond national boundaries through its extensive academic and research collaborations with esteemed foreign and national institutes. These partnerships facilitate

knowledge exchange, research advancements, and the cultivation of a global perspective among its students and faculty, he said.

"This ranking should serve as a motivation for NIT Srinagar to continue its journey of excellence. We are determined to reach even greater heights in technical education," Prof. Yedla said.

Institute's Registrar, Prof. Syed Kaiser Bukhari said that NIT Srinagar has performed well in India Today Rankings. The improvement in the NIT Srinagar ranking is largely due to improvement in perception which essentially can be credited to continued efforts of all stakeholders, he said.

Prof. Bukhari commended the work put in by Dr. Harveer S. Pali, who was the Nodal Officer for overall rankings. He said there is a lot more to do and such results are encouraging.

"NIT Srinagar is committed to narrowing the divide between society and technology. The impressive results in India Today rankings stand as a testament to our unwavering pursuit of academic excellence and steadfast mission to cultivate a seamless integration of knowledge," he said.

Prof. Bukhari credited the collective efforts of the faculty members, senior administrative staff, non-teaching personnel, and students for their valuable contributions. He also commended Dr. Harveer S. Pali and his entire team for their outstanding and commendable work.

Nodal Officer for Overall Rankings at NIT Srinagar, Dr. Harveer S. Pali said that the Institute has improved in India Today Rankings.

"This year, we have secured 19th rank, compared to our 24th rank in 2022 and 25th in 2021. We have made substantial improvements across various parameters, and moving forward, we are committed to further enhancing our efforts in this direction," he added.

# NIT Srinagar ranks 19<sup>th</sup> in India Today's Top 20 Technical Education Institutes

ZEHRU NISSA

**Srinagar, Aug 8:** The National Institute of Technology (NIT) Srinagar has secured the 19th position in the India Today rankings for the Top 20 Technical Education Institutes in India, the only University from J&K featuring in the list this year. NIT Srinagar has said that the rankings serve as a testament to the institute's continuous commitment to maintaining high educational standards and fostering research and innovation.

Speaking to Greater Kashmir, Director of NIT Srinagar, Prof Sudhakar Yedla expressed his elation over the institute's impressive feat. He remarked, "It is a proud moment for us that NIT Srinagar has been featured in the Top 20 Technical Education Institutes of India in the recently declared India Today rankings."

Prof Yedla attributed this momentous achievement to the collective effort and dedication put forth by the faculty, students, and staff in ensuring academic excellence and overall growth at the institute. He emphasized the importance of nurturing an environment that encourages research, innovation, and all-around development, saying, "This achievement in the rankings is a result of the

collective effort put into maintaining high standards of education, fostering research and innovation, and creating an inclusive and conducive learning environment."

Established in the year 1960, NIT Srinagar is the 3rd oldest National Institute of Technology in the country. Over the years, it has played a vital role in the development of the J&K and has contributed significantly to the progress of the nation. Prof Yedla stated, "Such rankings not only reflect the academic prowess of the institution but also underscore its commitment to producing skilled and knowledgeable graduates who

can contribute effectively to various industries and sectors".

Beyond the realm of academic excellence, NIT Srinagar places significant importance on cross-learning. Prof Yedla highlighted the institute's commitment to producing graduates who can make meaningful contributions to various industries and sectors, saying, "With our legacy and vision, NIT Srinagar has actively pursued collaborations with prestigious institutions and industries, both nationally and internationally."

In addition to its academic accomplishments, NIT Srinagar has embraced the National Education

Policy 2020 (NEP 2020) and initiated various measures to align with its vision. Prof. Yedla expressed his enthusiasm, stating, "We have also implemented NEP 2020 on campus, and various parameters have been adopted already. NIT Srinagar has academic and research collaboration with many other foreign, national, and several other institutes."

The institute's efforts to foster international collaborations have resulted in a diverse and enriching educational experience for its students. These collaborations enable students to gain a global perspective and exposure to cutting-edge research, enhancing their skills and knowledge. Prof Yedla extended his heartfelt appreciation to all individuals associated with NIT Srinagar for their dedication and support, and he congratulated them on this remarkable achievement. "This recognition should serve as motivation for NIT Srinagar to continue its journey of excellence and to strive for even greater heights in the future," he concluded with optimism.

This year, NIT Srinagar is the only university from J&K featuring in the list. Earlier, in 2021, University of Jammu has also made it to the coveted list.

# NIT Srinagar Features Among Top 20 Technical Institutes In 'India Today' Rankings

**Srinagar, 08 Aug:** The National Institute of Technology (NIT) Srinagar has been featured among the top technical education institutions across the country in 'India Today' rankings' released.
